

23RD JUNE 2020

UP-DATE ON RESUMPTION OF PUBLIC SERVICES

Following the Government's decision to allow Churches to resume Public Worship, please, be aware of the following information.

Public Worship Services will not resume at Lund Church until full guidelines have been issued and implemented.

Resuming Public Worship is a priority but we must ensure that all necessary requirements are in place before this happens. Regular up-dates will be issued via this website and on Facebook: @lundsaintjohns

Fr John Bannister Vicar of Lund
